Meeting Called to order at 1005 Hrs.

Motion to approve the November 20, 2018 Meeting Minutes made by Interim Chief Erskine, Chief Disbrow 2nd the motion, Motion approved by all.

Chief Haas stated that the Swift Water trailer is at Chuck's Custom Trucks to have the fuel storage box installed.

Chief Haas asked about the Structure Collapse trailer doors. Wally stated that he will be in contact with Seville RV to set up a date to have them fixed. Wally stated that this will happen when the Swift Water trailer is done at Chuck's Custom. Also, the Structural Collapse trailer will be out of service when the doors are to be fixed.

Wally will be giving the new Dispatch procedures to the Medina County Sheriff's Dispatch today.

Chief Haas asked about the building plans. Christina stated she is waiting for Lafayette Trustees offer for the 5 acres near the new Lafayette Fire Station.

Wally stated he is working on the end of the year training hour averages and the last quarter of 2018 training hours that will be distributed to the Fire Chief's.

Chief Haas stated that the new GPS's are being programmed. Mike Stanec is having a member of the Ohio Task Force 1 Team program these.

Chief Haas asked if all of the Structural Collapse equipment was ordered. Wally stated everything but the come-a-longs. The other equipment went up in price from what Mike Stanec originally received and not enough money in the budget to buy the come-a-longs.

The Swift Water Team was in the water in December. The training consisted of using the boats and running the boat motors.

Chief Haas stated Fire Chief's meeting tomorrow, 12-12-18. They will be voting on Board Members.
