Once Around

- Tom Bartfai
 - For the HazMat classes funded through grants awarded pursuant to the 2025 HMEP Grant, Tom will start setting up the dates for HazMat classes
- Colin Johnson
 - The Health Department is hosting a tabletop exercise on January 16th involving hazardous materials. Also, there is a regional training unit on children involved in disasters on January 14th. The number of flu cases has started to rise. Also, some whooping cough cases have been reported statewide.
- Chuck Stiver
 - Update and discussions on the costs and scheduling of physicals for All Hazard team members and medical oversight on All Hazard team operations. Discussed Wayne County ice rescue operation which resulted in a 16-year-old boy passing away following the incident. An Ice Rescue class will be held at the end of January or beginning of February at Erhart FD. Update on dive training – Dive Med class in February; DR1 will be ongoing. The plan is for the dive team to be functional in the spring after

completing public safety diving course and DR1. Next winter the team will complete ice diving training to be functional as an ice rescue dive team. In the interim, Wayne County covers Medina County for ice rescue until the Medina County team becomes functional. HMEP classes will be scheduled soon.

- Ben Nau
 - Ben will be participating in a presentation on the BleachTech incident at the next Medina Safety Council meeting on February 18th at Williams-on-the-Lake.
- Stephanie Mueller
 - Stephanie is looking for speakers for the Medina Safety Council, let her know if you know anyone.

Motion to Adjourn made by Terry Grice, second by Mark Albrecht at 0901.
